## **ACKNOWLEDGEMENT**

First and foremost, I would like to praise and thank GOD, the Almighty for His divine grace and blessings in making all this possible. May he continue to lead me in the years to come.

I would like to express my deep sense of gratitude to all the staffs of RALFIZ TECHNOLOGIES for their full-hearted help and encouragement throughout this project.

I am extremely grateful to my beloved teachers, especially my internal guide Mrs. SURYA U and our centre in charge Mrs. PRIYA T R for giving valuable knowledge and technical guidance and suggestions and also for their kind co-operation throughout this project.

Last but not the least I would like to thank my beloved parents and all my friends who showered up on me their love and constant encouragement for completion of this project work and believed in my ability.

Finally, I thank all who was helped me directly and indirectly for the successful completion of the project work.
